

Sri B. G. SHANKAR RAO.—If the workers resort to misbehaviour and indiscipline, we have got to take disciplinary action against such of the workers who indulge in indiscipline and 'undesirable activities'. The shifting of the Director is a separate question. That will be considered according to Service Rules.

(iii) **re : Lathi Charges on M. E. Yuvaka Sangha in Halge Village Belgaum Taluk.**

Sri B. B. SAYANAK.—I beg to call the attention of the Hon'ble Chief Minister to the promulgation of Order under the Mysore Police Act, 1963, in Belgaum and lathi charge made by the Police on M. E. Yuvaka Sangha in Halge Village of Belgaum Taluk.

†**SRI VEERENDRA PATIL** (Chief Minister).—It is reported that Prohibitory order under Section 35 of the Mysore Police Act were promulgated by the Additional District Magistrate, Belgaum for a period of seven days from 10th February 1969 to 16th February 1969 for maintaining peace and tranquility in Belgaum City, Cantonment limits and 3 miles around Belgaum Municipal limits as there was apprehension that mischievous elements might indulge in acts of violence like stone throwing, arson, etc., as the Shiv Sena had set afoot a violent agitation in Bombay. The above prohibitory order was extended for a further period of 5 days from 17th February 1969.

On 9th February 1969, Maharashtra Ekikarana Yuvak Sangh held a public meeting at Belgaum in which Sri B. B. Sayanak and others had announced that they would not allow the Chief Minister and the Congress President to come to Belgaum on 19th February 1969.

It is true that Sri B. B. Sayanak, M.L.A., met the Superintendent of Police, Belgaum on 18th February 1969 and informed him that the M. E. S. would only stage a Black Flag demonstration near Halge Village during the visit of the Congress President and that there was no programme to obstruct the car of the President by his group. However, he was not in a position to give any undertaking about the action proposed to be taken by the Samyukta Maharashtra Samithi Group. Apart from it, as Sri Sayanak had, on 9th February 1969 declared in a public meeting that his followers would obstruct the Chief Minister and the Congress President on 19th February 1969 from proceeding and as any such action would render maintenance of peace and tranquility in the area difficult, the Police had to take precautions inspite of the assurance of Sri Sayanak. No consent was given by the Superintendent of Police, Belgaum for any Black Flag demonstration and Sri Sayanak was also informed that the Police would take action for any violation of the prohibitory order.

On the morning of 19th February 1969, Maharashtra Ekikarana Yuvak Sangh volunteers gathered on the National High-way near Halge Village, 5 miles from Belgaum under the leadership of Shri B. B. Sayanak and others in order to stage a Black Flag Demonstration

during the journey of the Congress President from Dharwar to Belgaum. The Police on duty apprehended that they would obstruct the Car of the Congress President if they were permitted to be on the road and thus create an avoidable law and order situation. Therefore, the Senior Police Officer on the spot directed the volunteers to clear the road and be at a reasonable distance. Some of the Volunteers, who did not obey the lawful directions of the Police, were removed under section 71 of the Mysore Police Act. It is not true that Shri Hegde Deputy, Superintendent of Police pushed a Boy as alleged and no lathi charge was resorted to.

No separate Bundobust arrangement was made in connection with the visit of the Congress President, but the Police arrangements made to prevent possible repercussions in the Borders areas as a sequel to the Shiva Sena Agitation in Bombay, were continued till 21st February 1969. However, some special precautionary measures had to be taken to maintain Law and Order on the route taken by the Congress President for the reasons stated earlier. Only One Deputy Superintendent of Police, One Police Inspector, 6 Sub Inspectors, 15 Head Constables and 100 Constables were deployed along the 7 mile route and not 2,000 Policemen as alleged.

Sri B. B. SAYANAK.—It is stated in the reply that on 9th February 1969, the Maharashtra Ekinarana Yuvak Sangh held a public meeting at Belgaum in which Sri Sayanak and others stated that they would not allow the car of the Chief Minister and the Congress President to come to Belgaum on 19th February 1969. Will the Hon. Chief Minister call the report of the reporter who recorded the proceedings of the public meeting on that day and place it on the Table of the House? Then the House may know whether Sri Sayanak had announced like that.

Sri VEERENDRA PATIL.—I cannot do that because we get so many reports from Police Officers. Whatever report I have made, is based on the report made by the Police Officer.

Sri B. B. SAYANAK.—The whole statement is incorrect, in protest against that I will walk out...***

[Sri B. B. Sayanak withdrew.]

Mr. SPEAKER.—Now discussion on Demand Nos. 17 and 37 will continue. This is the last day for the debate on these demands. I want to know from the Hon. Education Minister how much time he requires for giving reply.

Sri VEERENDRA PATIL.—He is not here. He may require 1½ hours.

Mr. SPEAKER.—Since the Hon. Education Minister might require 1½ hours, this debate has to conclude at 5-30 P.M. In the light of this, I request hon. Members on both sides to adjust and accommodate and see that the discussion closes at 5-30 P.M. and thereafter the Hon. Minister will start his reply.

*****matter expunged as ordered by the Chair.

Sri K. H. PATIL.—Sir, whenever call-attention notices or other notices are given, the Chair advises members to speak on the subject-matter of those notices on various Demands when they come before the House. We, however, find that the Government is not sane. It is therefore necessary for us to comment on all matters pertaining to our constituencies; otherwise we will be failing in our duty and we will be failing to do justice to our constituencies. I therefore request that the Chair may extend the time or impose some time limit and see that our legitimate request for time to speak on all the Demands should not be brushed aside.

Mr. SPEAKER.—Whatever arrangements have been made, have been made in accordance with perfect understanding. So, the question of extension of time does not arise. Sri Nanje Gowda.
